USD PRECEPTORIAL REGISTRATION SET MAY 18

IMMEDIATE RELEASE - May 14, 1974

San Diego, California

Entering University of San Diego Freshmen who have indicated a preference for the new preceptorial plan being offered in the fall of 1974, will pre-enroll on Saturday, May 18, in Serra Hall.

Approximately 25 preceptorials are offered. They are drawn from a large variety of academic disciplines and are limited to 15 students each.

The entering freshman selects a preceptorial in an area of special interest. The small group facilitates innovation and experimentation in teaching methodology. The preceptor is both the instructor in the course and the academic advisor of the students in the preceptorial, so that advising is integrated with the academic experience.

Courses are planned to develop in the student the inquiring habit of mind.
